

OSRAM Ledprofiler

Slim profile system

Slim profile 45°
FX-QMS-G1-T45D19H19-300

With its compact dimensions, the profile is ideal for highlighting furniture, shelves and closets.

Slim profile round
FX-QMS-G1-TR19H16-300

In addition to furniture and handrails, the profile is also suitable for pendant solutions.

Slim profile 6 mm height
FX-QMS-G1-TU15H6-300

Compact dimensions make the profile a good choice for coves, furniture, shelves and closets.

**Slim profile 6 mm height,
3 mm wings**
FX-QMS-G1-TU15H6W3-300

The profile is best suited for embedding seamless light lines into flat surfaces.

Slim profile 12 mm height
FX-QMS-G1-TU16H12-300

Slim but powerful, the profile can be used for general lighting, wall grazing and wall washing.

**Slim profile adjustable
light angle**
FX-QMS-G1-TU16H12LS-300

The profile is suitable for mood and effect lighting across large surfaces, but also for general lighting.

**Slim profile 12 mm height,
3 mm wings**
FX-QMS-G1-TU16H12W3-300

The slim and powerful profile can be used for both decorative and general lighting.

Slim profile
LF-LTS-2100

The slim and powerful profile can highlight furniture or coves, even in confined spaces.

Wide profile system

Wide profile 30°
FX-QMW-G1-TK30D46H27-300

The profile is suitable for accent lighting and perfectly sets the stage for worktops and closets.

Wide profile 8 mm height
FX-QMW-G1-TU26H8-300

Due to its reduced height, the profile is ideal for surface-mounted or embedded lighting in suspended ceilings.

Wide profile 25 mm height
FX-QMW-G1-TU26H25-300

The profile ensures functional and elegant solutions for decorative and general lighting.

**Wide profile 25 mm height,
2 mm wings**
FX-QMW-G1-TU26H25W2-300

In decorative and general lighting, the profile is best suited for recessed mounting.

**Wide profile 25 mm height,
10 mm wings**
FX-QMW-G1-TU26H25W10-300

Thanks to its accessories for recessed mounting, the profile is suited for architectural integration.
